- NOTES:**
- The AIG (Security & Discipline) (S&D) reports to both DIG (Headquarters) and DIG (Inspection).
 - The Technical Officer (Health) reports to both AIG (Establishment) and the AIG (Judicial) who further report to both the DIG (Headquarters) and DIG (Inspection) as shown in the organogram.
 - There is only one post of the AIG (Security & Discipline) (S&D) and the Technical Officer (Health) in the Punjab Prisons, although shown twice in the Organogram.
 - The posts of I.G. Prisons Punjab and the Commandant Punjab Prisons Staff Training College (PPSTC) Sahiwal are in BPS-21. Both officers serve under Government of the Punjab, Home Department with mutual coordination to provide professional training to the officers and officials of the Punjab Prisons. The green horizontal line joining the two posts in the organogram represents the said coordination. The PPSTC shall start functioning in due course of time.
 - Computer Operators deputed in the Information Collection Centre /Computer Room work under control of the Assistant Director (Admin). They assist various branches to collect information from the field formations. However, validity of information is responsibility of the officers of the respective field formations as well as the officials deputed as In-Charge of various branches
